THE 4-WAY TEST

1. Is it the TRUTH?

2. Is it FAIR to all concerned?

3. Will it build GOODWILL and BETTER FRIENDSHIPS?

4. Will it be BENEFICIAL to all concerned?

**January 4, 2008 Meeting**

Charlie called the meeting to order and informed us January was Rotary Awareness Month. He introduced the guests, Stacy Brogan, Kara Steele, Brad and Miranda Ulery.

Happy bucks were donated by Lyn Morgan and Lacretia Ulery. (Apparently there were many new years’ resolutions to be less happy in 2008!)

January birthday wishes go out to James Abner and Marc Rothbart.

Our card draw winner was Kim Rocker and she donated her $4 winnings to the foundation.

Love chapel needs our time and our food. Don’t forget that food pantries have their greatest shortages in the months following the holidays.

Rod McGillivray offered to put the basket together and is seeking ideas. The top three ideas so far are: 1: Traditional Scottish Delicacies; 2: Death Valley Tourist Attractions; and 3: Paris Hilton’s Life in Song. (He obviously needs a lot of help!)

Charlie introduced Rotarian Dan Houze. Dan was born in Seymour, Indiana but moved to Texas as a child and grew up there. He worked in private industry for several years before enrolling in a seminary in 1991. In 2000 he moved back to the Columbus area as the pastor for Terrace Lake Community Church. Dan and his wife Kim have three kids; Erica, Jared and Jake.

Dan introduced our guest speakers Kim Hofelich and Dee Kahlenbeck. Kim and Dee shared with us about the work being done by the Happy Trails Center. The center uses Hippotherapy which is a physical, occupational or speech therapy treatment strategy utilizing equine movement. Youth receive therapy treatment through riding horses at the center. The center is located near Marr and County Road 700 N. It is the only center of this type in Southern Indiana. Fifteen youth were served in 2007. There was a waiting list of thirty youth waiting to participate in the program last year. Treatment capacity is limited because of it being an outdoor facility. Kim and Dee said the center has significantly benefited the youth who have used the facility. The center is open from two to six days a week depending on the season. The center needs volunteers and sponsors for riders.

Kim Hofelich describes the remarkable benefits of hippotherapy.

Remember to purchase your Rotary Bucks every week! 5% of the proceeds help our club raise funds for community projects. See Cindy for details.

**2007 Stella Award Winner Retraction!**

Last week's newsletter contained a story about a lady who allegedly won a lawsuit after putting her Winnebago on cruise control and then moving back to the kitchenette to make a sandwich. This is a legal urban myth, there are no court records anywhere to support the story. While it is not surprising that individuals will believe the story and pass it on through e-mails, what is truly amazing that this story was printed as fact in the NY Daily News. At least our Awakening editors caught it!
