September 5, 2008 Meeting

President Jodi called the meeting to order and introduced our guests; Jenni and Beth Stroh.

Happy Bucks were donated by Greg, Owen, Lacretia, Karl, and Jodi.

Brian was the card draw winner and he donated his $4 to the foundation.

Jodi shared the news about the visit to the Muncie Rotary club meeting on Tuesday, September 2nd. Members attending with Jodi were; Lacretia and Celeste. Mayor Fred and Jim Norris also attended. The Muncie Rotary Club donated $750 to the flood relief effort. After the meeting, Muncie Rotarian, Gay Nation provided a tour of the Garfield Inc.

The Book Buddies program is still in need of volunteers. Several from our club have stepped forward to help.

Kara is seeking volunteers for the Scottish Festival to help in several capacities. Our own Colonel Barry Richmond is the Grand Marshall this year and would to see more of us there to help.

Kara said from September 10 thru October 10 we will be collecting books for the Friends of the Library sale which runs October 15-20. The library would appreciate any help sorting books prior to the sale.

Dan Houze gave an update on the most recent RI magazine. He focused on the article, “How to Spot a Mentor.” He asked several from the club to share about the mentors they’ve had in their lifetime. Rotarians are well positioned to be a mentor for someone in the community whether they are a new Rotarian or someone new to the community or their career.

Dawn introduced Beth Stroh. Beth is employed at First Financial Bank. She and her husband John have two children, Mary and Dan. Beth is co-chair of the Connected Community Partnership which is a volunteer organization to help Columbus residents have greater access to technology such as the internet. One of the goals was to assist parents and teachers in communicating regularly through the internet about their children’s progress in school. Computers are provided to families who need them. So far over 3,000 computers have been donated to needy Columbus families. In some instances free internet service is provided for a period of time to get families started. Also instruction is provided on safe use of the internet. Volunteers are welcome to help with the effort. Please contact Beth if you are interested in volunteering, please go to; http://www.techreconnect.com/.

Want to earn $25 for the club with no work involved? RI and Master Card are offering the opportunity for Rotarians to earn $25 for their club by obtaining an RI Master Card charge card and making at
least a $75 purchase in the first 90 days of activation. If you would like to know more details, see President Jodi.

Food items are still being collected for Eastside community center. Cindy is willing to take what is brought this Friday to the Eastside community Center.

Friday’s program will be Bill Lentz on “Farming in the Bio-Fuel Era.”
